

Company Programs

FREQUENT TRAVEL CHECK BACK PROGRAM:

Where other companies reward you the way they choose, "vehicle upgrade, discounted airport travel, free hour towards night out" all this for accruing 5000 or so miles. (That's approximately 100 trips) This could take a while and sometimes not even be used. GKL keeps it simple.

GKL has a 1% **Check Back Program**. For every \$1500* you spend, get a check back for \$15.00. It is that simple and fast! The customer is our priority, and you choose how to spend your reward.

**\$1500 is calculated from the base rate only.*

REFERRAL CHECK BACK PROGRAM:

Refer a friend and get some cash to spend! Recommend GKL to your work colleague, neighbor, doctor, etc. When they book a round trip transportation, wedding or night out, receive a Check Back in the amount of \$25* to show our appreciation.

**3 hour wedding package, LGA, JFK, EWR or NYC*
